

GDC PATTIKODA

DEPARTMENT OF ECONOMICS

SWOC ANALYSIS AND FUTURE PLANS

STRENGTH:

1. Well qualified faculties.
2. Regular classes.
3. Proper interaction between students and teachers.
4. Students are highly disciplined.
5. During extracurricular session, N.S.S, N.C.C session students learn lots of things to make them good citizens.
6. During classes students become very discipline to understand the teaching, and put more efforts for learning.

WEAKNESSES:

1. Lack of faculty.
2. Lack of proper infrastructure and other resources.

OPPORTUNITIES:

1. Research centre or research facilities should be made available.
2. In view of growing tourism and explore Historical monuments of arts and sculpture are also visited and course of tourism is being thought of to be introduced.

CHALLENGES:

1. The major challenges of the department are to ensure the ever popular subject grows at the current level as the member of enrolment to the subject is increasing day by day.
2. To make the history curriculum more relevant so that history as a subject becomes more attractive and job-oriented.

FUTURE PLANS:

1. To establish digital classrooms for best advance teaching.
2. To start Tourism courses.
